Motherhood is to decide forever to have your heart walking around outside your body.

Anonymous

A sepia-toned photograph of a classroom. In the foreground, several wooden desks are arranged in rows, each with a small rectangular object and a card on it. In the background, a blackboard is mounted on a wooden frame. To the left of the blackboard, a table covered with a white cloth holds a teapot and several small boxes. A window is visible on the left wall, letting in light. The walls are made of brick or stone, and the overall atmosphere is warm and historical.

The **mother's**
heart is the child's
schoolroom.

Henry Ward Beecher

I learned more
about
Christianity
from my
mother than
from all the
theologians in
England.

John Wesley

Her children rise up
and call her
blessed...

Proverbs 31:28a

For a
Wife
take the
daughter of a
good **mother.**

France
have
good
mothers,
and
she
will
have
good
sons.

ever hope to be, I
owe to my angel
mother.

I did not have my mother long,
but she cast over me an
influence which has lasted all
my life... my mother was the
making of me.

Honor your father and your **mother**, so that you may live
long in the land the LORD your God is giving you.

Charles Haddon Spurgeon

fades;
love droops,
The leaves of
friendship fall;

A
mother's
secret
hope
outlives
them
all.

Oliver Wendell Holmes,
physician and poet

I remember my **mother's
prayers and they have
always followed me.
They have clung to me
all my life.**

The image features a warm, golden-brown sunset background. In the foreground, the silhouettes of two children are walking across a grassy hill. The child on the left is leaning forward, holding the hand of the child on the right. Both children are holding long sticks. The sky is filled with soft, glowing clouds, and the silhouettes of trees are visible in the upper corners. The overall mood is peaceful and nostalgic.

The future destiny
of a child
is always the work
of the **mother**.

Napoleon Bonaparte

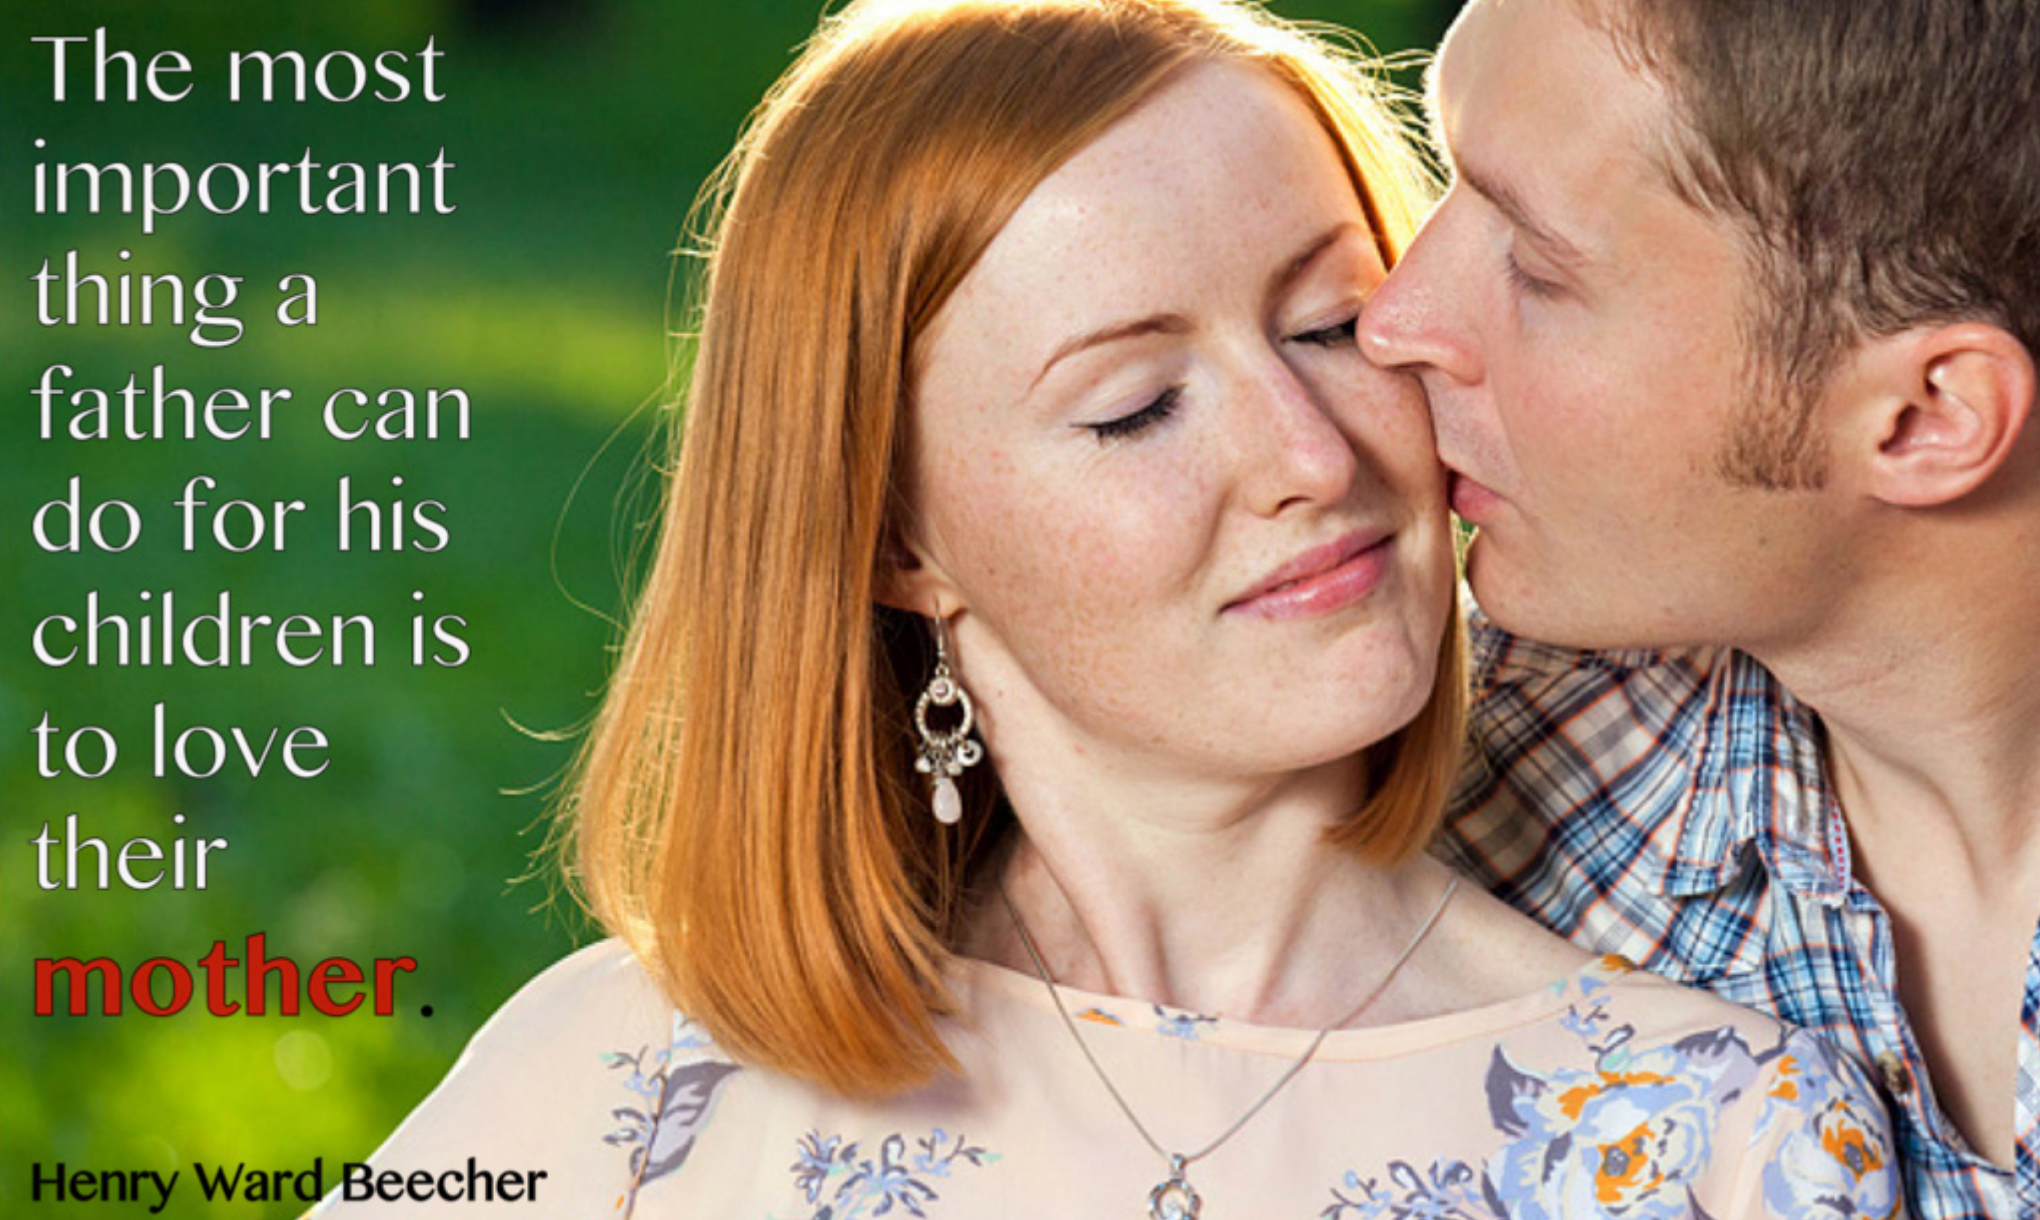

Mother love is the fuel that enables
a normal human being to do the impossible.

Marion C. Garretty

A photograph of a forest path covered in blue hyacinth flowers. The path is made of dirt and fallen leaves, and the flowers are in full bloom, creating a vibrant blue carpet. The background shows tall trees with green foliage, slightly out of focus. The overall scene is bright and natural, with sunlight filtering through the trees.

Archibald Thompson

There is no velvet so
soft as a **mother's** lap,
no rose as lovely as her
smile, no path so flowery
as that imprinted with
her footsteps.

A close-up photograph of a young man with short brown hair kissing a young woman with long, straight red hair on the cheek. The woman has her eyes closed and a gentle smile. She is wearing a light-colored top with a blue and orange floral pattern, a silver necklace with a circular pendant, and a silver earring with a circular top and a teardrop-shaped bottom. The man is wearing a blue and white plaid shirt. The background is a soft, out-of-focus green, suggesting an outdoor setting. The lighting is warm and natural, highlighting the couple's faces.

The most
important
thing a
father can
do for his
children is
to love
their
mother.

Henry Ward Beecher

The impression that a praying **mother** leaves upon her children is life-long. Perhaps when you are dead and gone your prayer will be answered.

D.L. Moody

A young child with light hair, wearing a black Adidas jacket, is shown in profile, reaching out with their right hand towards a white daffodil flower. The child is standing in a field of many similar flowers. The background is a soft-focus landscape with rolling hills under a bright, low sun, creating a warm, golden glow. The overall mood is peaceful and tender.

his wife the best,
but his **mother**
the longest.

Men may have the authority in the home, but the women have the influence.

The **mother**, more than the father, is the one who molds and shapes those little lives from day one.

A
mother's
arms are
more
comforting
than anyone
else's.

only two things
a child will
share
willingly –

diseases and
his **mother's**
age.

Dr. Benjamin Spock

I cannot
forget my
mother.

She is my
bridge.

When I
needed to

get

across,

she

steadied

herself

long

enough

for

Me

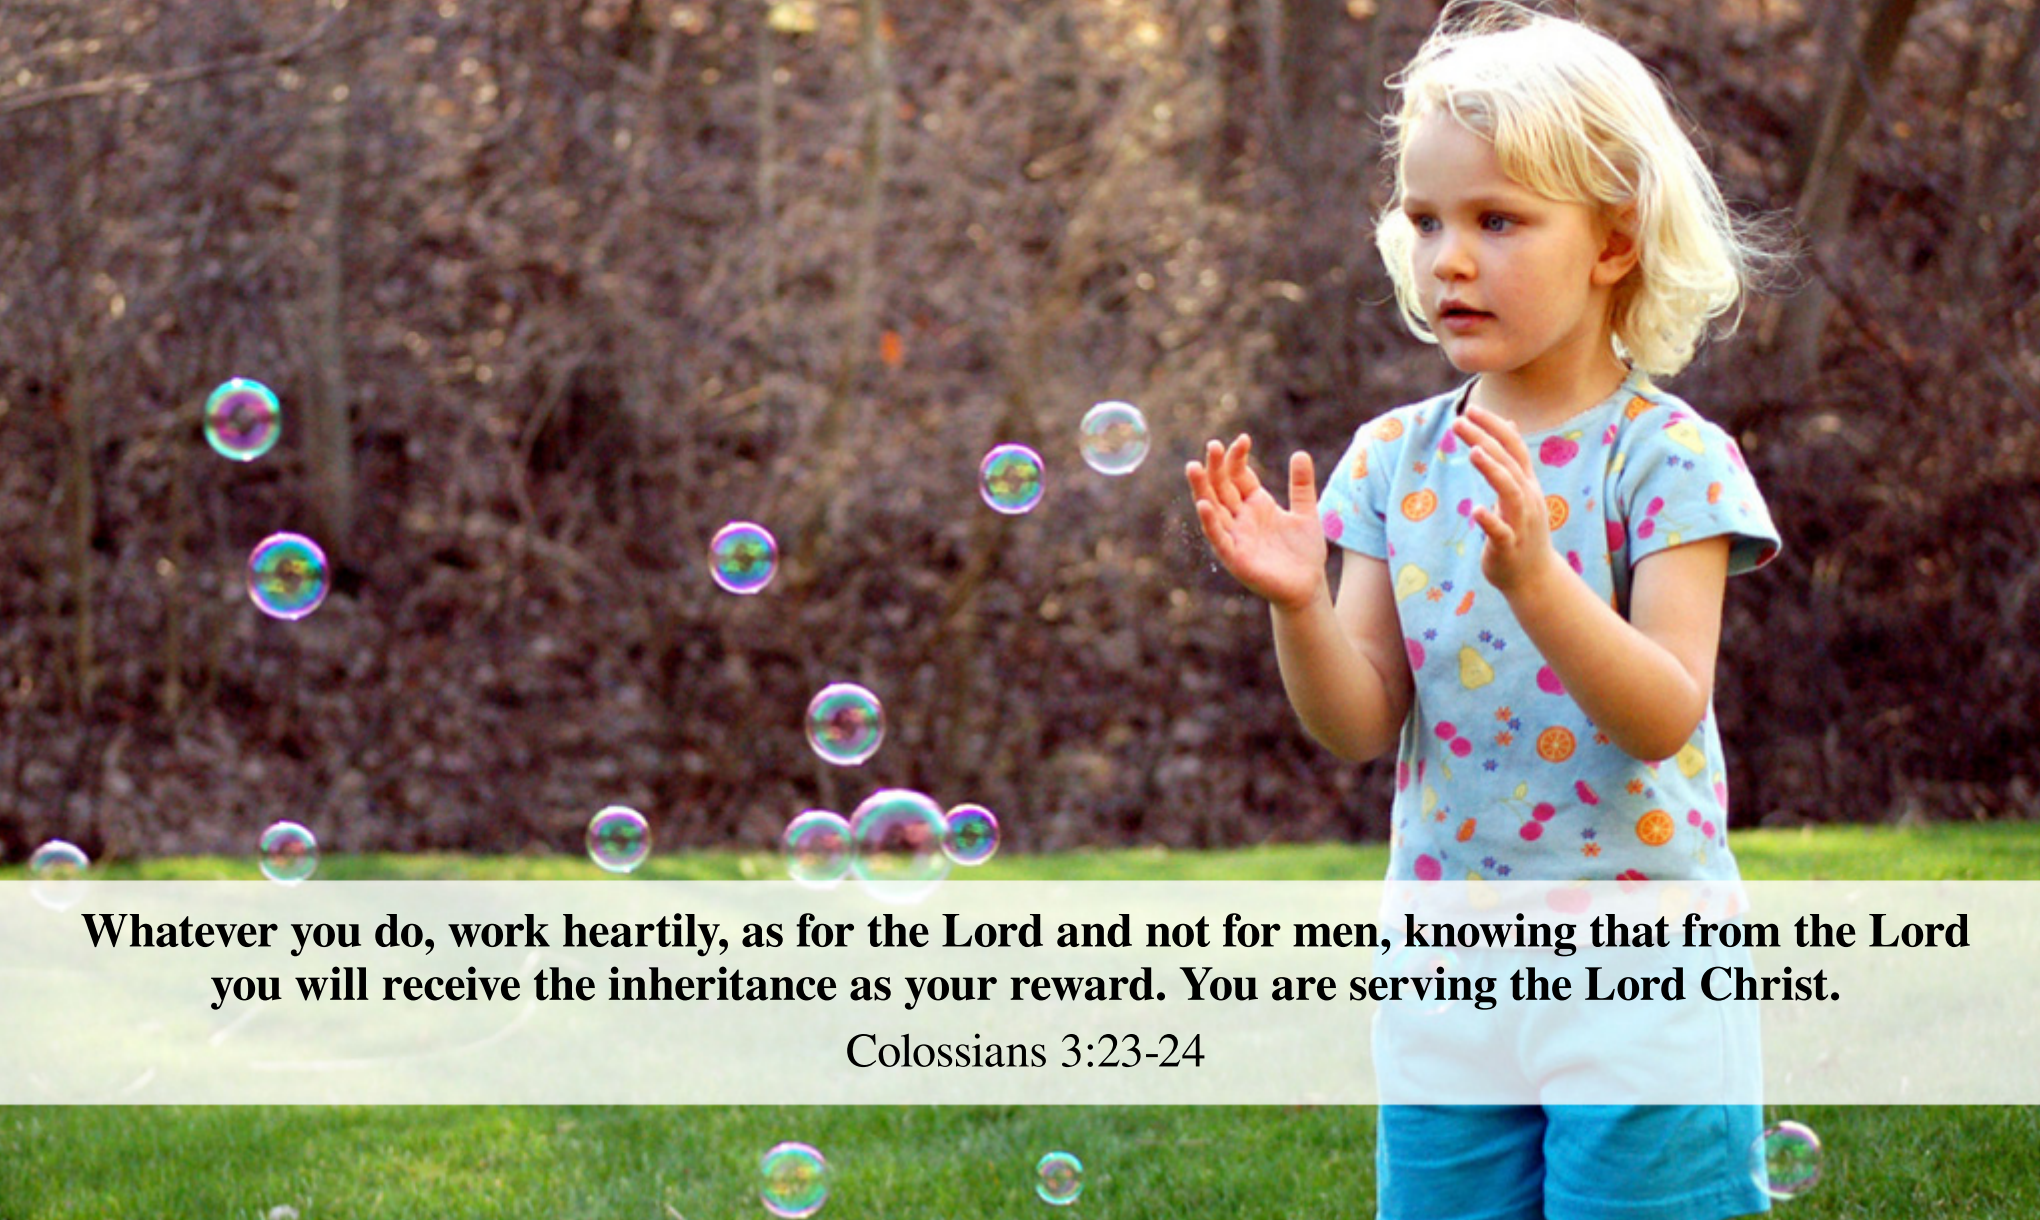

to

run

across

safely.

Renita Weems
